Sum of Square of a number

```dart
import 'dart:math';
Void main()
{
int num = 123;
double res  = sumofsquare(num);
Print("Sum is $res");
}

double sumofsquare(int num)
{
double sum=0;
while(num!=0)
{
int rem=num%10;
sum=sum+ pow(rem,2);
num = num ~/ 10;
}
return sum;
}
```
